The Heritage Cremation Society reserves the right to charge additional costs if they should apply for home removal requiring additional staff or equipment, removal from a place of death more than (30) miles away, removal and arrangements for a member weighing in excess of 295 lbs, and for the removal of pacemakers, defibrillators or other medical implants when the final arrangements include cremation. Additional charges may be incurred for securing the signature of a physician or medical examiner located outside our normal service area.

I hereby acknowledge that I have the legal right to select the final arrangements for the deceased and I authorize Heritage Cremation Society to provide the services, furnish the merchandise and incur outside charges as specified. I hereby acknowledge that payment in full is due upon the completion of the arrangements for the deceased. I acknowledge that I have received the General Price List and understand the expenses for options selected. I further agree and understand that I am assuming personal liability for the charges set forth in this Contract and that this is in addition to the liability imposed by law upon the estate of the party for whom these arrangements are made.
